RESOLUTION

New Delhi, the 6th December 1949

No. 45-74/49-Policy.—The Government of India have had under examination the possibilities of tapping underground water resources in Rajasthan. Preliminary borings made in several places have proved that large supplies of water can be made available for agricultural purposes throughout the year in areas now wholly dependent on inadequate and uncertain rainfall during the monsoon months. The development of these sources of water in this region is of utmost importance, both for Rajasthan and the country as a whole. It has, therefore, been decided to set up a Rajasthan Underground Water Board to direct exploration and development of the underground water resources of Rajasthan.

2. Constitution of the Board:—

1. The Minister for Agriculture of the Central Government.—*Ex-officio* Chairman.
2. The Premier of Rajasthan.—*Ex-officio* Vice-Chairman.
3. Shri Paniwala Maharaj
4. Professor K. N. Kaul.

5. Shri Padmanabhan, Chief Electrical Engineer, Rajasthan.

6. The Director of Agriculture, Rajasthan.

7. A representative of the Finance Department of the Government of Rajasthan.

8. An Administrative Officer and Secretary nominated by the Central Government.

The Board may invite representatives of the Ministries concerned of the Government of India and the Government of Rajasthan to attend the meetings of the Board whenever necessary.

3. *Functions and Powers.*—The functions and powers of the Board shall be

- (a) promotion and conduct of operations for exploring the underground resources of Rajasthan,
- (b) making preliminary utilisation of the water resources discovered for demonstrating their irrigational possibilities for the region covered by each series of borings,
- (c) as Rajasthan lies in the "oil belt" the Board may, in the course of its operations, undertake preliminary exploration of all resources of this area in consultation with and co-operation of the Geological Survey of India.

The Government of India, may, in consultation with the Rajasthan Government, direct that the Board shall carry out such additional functions and exercise such additional powers as may be specified from time to time.

4. *Funds and Equipment.*—The Board shall have its own fund provided by annual block grant by the Governments of India and Rajasthan. The Board shall have powers to incur such expenditure as it thinks necessary to carry out its functions. The Board shall, in October each year, prepare in such form as may be prescribed a budget for the next financial year showing the estimated expenditure and the receipts, if any, and the amounts required for its operations during the ensuing year. The budget will be prepared by the Secretary, and after approval by the Board, will be referred to the Government of India for approval of the Ministries of Agriculture and Finance. The Board will adjust its activities and operations within the amount sanctioned for each year including such supplementary grants as may be placed at its disposal.

The Government of India will place at the disposal of the Board such machinery and equipment and spare parts as are available from time to time for the purpose of utilization in its operations. The initial equipment and machinery, which will be transferred to the control of this Board from the C.G.W.O. is mentioned in schedule 'A'.

5. *Power to appoint staff.*—The Board shall have final powers to appoint, control and discharge its staff and fix their salaries and scales of pay within the budget amount and within the scales prescribed by the Government of India for similar staff in different grades.

6. *Headquarters of the Board.*—The headquarters of the Board shall be at Jaipur. The Board may however also meet at New Delhi, when required in the interests of its work.

7. *Exploration Unit.*—The Board will delegate such executive functions and powers as are necessary to an Exploration Unit consisting of:

1. Shri Paniwala Maharaj (Chairman).
2. Professor K. N. Kaul
3. Shri C. Padmanabhan.

The Secretary of the Board shall be *ex-officio* Administrative Officer of the Unit.

This Unit will be in actual charge of the day-to-day operations and will function under the overall supervision of the Board. The Board shall have powers to recruit and control the staff required for the office as well as for the operational purposes.

8. *Accounts and Audit.*—The Accounts of the Board and Exploration Unit and a stock Register of all machinery and equipment transferred to the Board shall be maintained and audited in such manner as may be prescribed, in consultation with the Auditor General of India.

9. *Annual Report.*—The Board shall prepare in such form as may be prescribed, an Annual Report within three months after the end of each financial year, including an account its activities and a statement of income and expenditure for the year.....

10. *Relations with the Central Government.*—In the discharge of its functions the Board will be guided by such instructions on questions of policy as may be given to it by the Central Government.

11. Ordered that a copy of the Resolution be communicated to all Provincial Governments, Local Administrations; State Union, States, All Ministries and Departments of the Government of India, Cabinet Secretariat, Prime Minister's Secretariat, Indian Trade Commissioners.

ORDERED also that it be published in the *Gazette of India*.
